

Good Stewardship Includes Good Maintenance.

Your congregation trusts your leadership. Your building should too.

Campbell Mechanical Services partners with churches across Northern Ohio and Southeast Michigan to protect facilities, control costs, and ensure your space is ready every time your congregation walks through the door.

Why Churches Choose Campbell

- **Lifetime Guarantee, No Surprise Bills**
If we maintain your system and something fails, we cover the repair. No unexpected invoices.
- **24/7 Emergency Response: 1-800-HVAC-911**
System failure at 10 pm Saturday?
Someone answers. You're covered by Sunday morning.
- **C.A.R.E. Program: Systematic Preventative Maintenance** Scheduled, documented maintenance that extends equipment life and stops problems before they start.
- **Energy Efficiency for Intermittent-Use Facilities**
Sanctuaries used a few days a week need a different approach. We optimize for how you actually operate.
- **Family-Owned. Local. Accountable.**
Serving this region since 1968. We're your neighbors, and our reputation depends on it.
